Principal's Message

Our year of grace started on August 13, 2008 and will end on Friday, May 29 at 10:30. It has been a wonderful year, and I am grateful to so many people for their help this year. I have attempted to thank people, but know I probably missed some individuals. To all who have helped by way of time, talent or treasures, thank you for helping me and the children.

Please take time to thank all of our teachers for their time and efforts with our children. In addition to Rachel Burkey, I want to welcome Mary Roushdi as our school nurse. Mrs. Roushdi comes to us with 20 years of nursing experience, most recently at Vanderbilt Medical Center in the Emergency Department. She has also been a regular substitute at the Saint Henry School clinic. I am hopeful to fill the library aide position by the end of the week. Please keep this intention in your prayers.

I am looking forward to the 2009-2010 school year with great excitement because it will be another opportunity to grow together in God's grace and love.

Please know you are in my prayers this summer. If you need anything this summer do not hesitate to call the school office. God bless you!

Thank you and you remain in my prayers.

In Christ,

Sister Ann Hyacinth, O.P.
Principal

Thank you

- To Father Mike and Father George for their pastoral care of us all this year.
- To the many parishioners who support Saint Henry School in prayer and otherwise.

- To our Home and School members who have been so generous with their time throughout the year.
- To the faculty and staff for their generous hearts and for their loving care of our children.
- To the parents and friends of Saint Henry School for the many sacrifices you make for the children.
- And... to the children, the reason we are all here, thank you for being wonderful examples of Christ's love.
