

Dear cast and crew,

We are all very excited to produce this show with you! The most exciting thing so far this year is that we had so many talented students audition. There are 85 of you; with 25 males and 60 females and a script that calls for 5 male main characters and 6 female (we had a very hard time casting this show!!!) All of us were so impressed with the auditions. We deliberated for hours on how to best cast this show. We have done our best to try to showcase all of your talents with the space and time allotted on stage. This will be a fun show and undoubtedly full of memories for all of us.

The first rehearsal for everyone - cast and crew - will be Wednesday, Nov. 2nd from 3-5. The rehearsal calendar, music, and scripts will be handed out at that time.

With our best,

Mrs. Gild, Mrs. Hansen, Mrs. Jones, Miss Higgins, Mrs. Smith and Miss Burkey
