

Saint Henry School Basketball

Available to all students 3rd thru the 8th grade

Students must have a Diocesan Health form on file to participate.
The Health files will be available at registration to check the form if you are unsure.
The fee is \$50 and the jerseys are to be returned at the end of the season.
A replacement fee will be charged to each player that does not return their jersey.

3rd and 4th grade boys and girls are placed on teams evenly by ability and grade.
The focus for this age group is to learn the game, develop skills, and have an enjoyable experience to return again the following year.

5th and 6th boys and girls now have two divisions: A Skill Development Division and a Recreational Division. The Skill Division is for the higher ability students to participate against children from other schools with the same abilities. There is still an emphasis on equal playing time and skills along with a more competitive component. There will not be try-outs and students will be placed on teams by the Athletic Director. Our school may place as many teams in the Skill Division as determined by the Athletic Director. The Recreational Division will be available for all students not placed in the Skill Division.

7th and 8th grade will have 2 Divisions: A Varsity Boys and Girls Team that is selected by a tryout. All students not selected to the Varsity team will be placed on a team in the Recreational Division.
